By: Nick Fico

Thanks to warm weather we had a record 21 teams complete POCAR! Congratulations to team Rainbow Unicorn for winning the open division! Congratulations to team Go Big for winning the collegiate division! Thanks to everyone for coming out this year. All of our racers and volunteers did an outstanding job this year and we can't wait until POCAR 2011!

The results on the following page include time splits. Please keep in mind that some time splits were lost due to water damage. All start and finish times are accurate.

Race times have been adjusted based on start times for each team. The night/day is accurate for Race group A, but should be advanced 30 minutes for group B and 60 minutes for group C. Each tick mark is 60 minutes
